A Message From the RSA President

2021 Convention Planning COMMITTEE

We are so glad that 2020 is behind us, that most roller skating centers are now open and moving forward, and that the 2021 RSA Convention and Trade Show will proceed as usual! We are equally as thrilled to share with you the incredible details of the host hotel, as well as the exciting lineup of educational seminars that we have in store for you.

Attendees will get to sit in on three seminars with our dynamic Keynote Speaker, John Formica, the ex-Disney guy,

learn what makes a successful social media campaign, how to boost your birthday parties in the era of social distancing, how to host corporate events, how to prepare for a lawsuit, entertaining your audiences with music with Steve Earley, and much more.

On Wednesday, attendees will take part in a "12 Steps to Business Recovery recap" seminar that will go over all of the information learned at this year's convention, and on Thursday we will provide attendees with a half-day educational event called "Business Hospitality 21" that will show members how the Grand Sierra Resort markets their plethora of entertainment options within the venue to increase revenue.

We can't wait for you to get a look inside the Grand Sierra Resort and Casino in Reno, Nevada!

Plus, an exciting perk that we know many of you will appreciate – in order to get to the conference rooms, you can bypass the casino completely!

This facility recently underwent a massive remodel and you won't believe the amount of entertainment that the facility provides for families, as well as having all rooms remodeled and an \$18.5 million dollar pool renovation that includes VIP cabanas, The Pool Resort Deck, Bar & Grill, Fire Pit Lounge, hot tubs, and splash pad for the kids.

In this prospectus, you'll get to see the complete schedule for the event, a peek inside the hotel accommodations and entertainment, and what you can expect at the 2021 RSA Convention and Trade Show. Anyone may attend the event, but being a member of the Roller Skating Association International means a significantly discounted rate and benefits of membership, including massive discounts from our partners like Pepsi, JBL Trinity Insurance, AmeriTrust and Hownd, educational materials, weekly town hall Zoom meetings with the membership, Rinkside Magazine, educational webinars, access to Kids Skate Free and the STEM Educational Field Trip Program and more!

If you have any questions about the event, please contact Angela Tanner, Assistant Executive Director, at atanner@rollerskating.com or call 317-347-2626 Ext. 102. We look forward to seeing you in Reno in May!

All About This Year's THEME

Livin' the Skate Life

This year, the RSA Convention Committee decided to keep the theme of Livin' the Skate Life and will be using the hashtag #Sk8Life throughout the Convention.

Our hope is to encourage each and every member to embrace the importance that social media plays in marketing and business models for nearly every business today – especially those that deal with the general public like the roller skating industry.

Throughout the day, make sure to take photos of your adventures and share to your Instagram, Facebook, Twitter, TikTok, Snapchat or other social media outlets with the #Sk8Life hashtag so that we can show the world that the roller skating industry is alive and thriving.

We hope that the seminars we have put together for you energize, educate and inspire you to take ideas back to your businesses and communities.

Quick View Schedule

The Roller Skating Industry Convention and Trade Show is one of the only events in the world designed to connect roller skating business owners and operators with one another at an all-hands-on-deck experience where you collaborate with other business owners at breakfasts/lunches/dinners, receptions, and educational seminars.

Attendees will be provided with an interactive trade show with the premiere vendors for the industry poised to show you what they have to offer your business. Whether you are a first time attendee or a seasoned veteran, the vendors you will meet with are a veritable who's who in the entertainment industry. Attendees will also be treated to 15-minute interactive #VendorCation presentations held during the trade show on Monday and Tuesday.

But wait, there's more than just vendors. The RSA will also be holding numerous educational seminars with showstoppers like John Formica, the Ex-Disney Guy, who will be giving not one, not two, but three phenomenal training seminars during the convention.

The educational lineup at the 2021 Roller Skating Industry Convention and Trade Show was designed to help you create new ideas and confront issues you're facing in your business and how to address them head-on to further see a direct impact in your bottom line. If it doesn't make dollars, it doesn't make sense.
